AMUSEMENTS.

The Edna Foy Co., which appeared at the Grand last night in "Slaves of the Orient," before a good audience, comes unusually well recommended. The people and press of Lebanon, Danville, Somerset and Winchester speak in the highest terms of them and do not hesitate to state that it is the best repertoire company that has ever been there, for each member of the cast is equal to the part assigned them.

Misses Edna Foy, Jewell Harrington and Messrs. James Harrington, Edwin Weaver and Walter Stewart are deserving of special mention, as their respective roles were handled with ability.

The specialties by Haywood Allen and Walter Stewart were very clever, as were the moving pictures.

This company will be here the entire week, with a change of bill nightly. "Brother Against Brother" will be presented to-night. Judging from the amount of applause last night, we presume that the show was much enjoyed by all those present.

FINE PEARS.—I have just received 100 bushels of fine New York State Pears that I can afford to sell at low prices. Come early and don't miss this chance to buy nice pears cheap.

Cincinnati's Greatest Theatrical Event.

On yesterday, October 17, at the Grand Opera House, Cincinnati, the most notable theatrical event of years will take place, when Klaw & Erlanger will present their colossal production of the greatest of the English Drama, "Mother Goose," at that theatre, beginning an engagement of two weeks with matinees Wednesday and Saturday of each week. An idea of the immensity of this production may be gleaned from the fact that more than 400 comedians, singers, dancers and pantomimists appear in it, and seventeen scenes each as elaborate as an entire ordinary production, and more beautiful than has ever been seen upon the American stage, are used. The costumes number 2,000 and cost alone \$75,000 to produce. "Mother Goose" ran an entire year in London and all last year in New York City at the New Amsterdam Theatre. It is the first play of its class ever presented in Cincinnati, and is described as being the mightiest exposition of beauty, quick, rattling fun, charming melody and spectacular magnificence known to theatrical history. Its production in Cincinnati will be with the original cast and every detail of gorgeousness which has made the presentment the most talked of and notable theatrical event of the past two years in the United States. Never has so much (in the way of quality) been offered for the money. The impression produced by "Mother Goose" is that of a beautiful dream of color, costumes, and hosts of beautiful women, a dream that never stops for a moment. Moving pictures are as nothing to this delightful phantasmagoria. It is a succession of startling changes, each one being more beautiful than that preceding it. Then there are the wonderful aerialists, who do amazing ballets suspended in the air, one of them, without warning, astounding the audience by darting over their heads clear to the back wall of the theatre, all the while scattering natural flowers to those below. The music is harmonious and catchy; the fun rollicking and in good taste; the specialties novel and entirely different from those seen in any other entertainment of this kind. From a more than casual study of "Mother Goose," it deserves the great success and lavish praise that has been bestowed upon it by playgoers of London and New York.

The sale of seats will begin Thursday morning, October 13, the prices being 50 cents, \$1.00, \$1.50 and \$2.00. Mail orders, accompanied by remittances, will be promptly attended to.

Greatest in History.

The greatest meeting in the history of the Kentucky Trotting Horse Breeders' Association closed Friday afternoon. About \$75,000 was distributed in stakes and purses, six world's records were broken, the year record and numerous event records lowered. The crowds were the largest in the history of the association and the sport furnished was of the very highest order. Perhaps as much money changed hands in the betting shed as was distributed in stakes and purses.

Robbed The Grave.

A startling incident, is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at Oberdorfer's drug store.

A Great Sensation.

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1.00. Guaranteed by Oberdorfer, the druggist. Trial bottles free.

A Thoughtful Man.

M. M. Austin, of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at Oberdorfer's Drug Store.
